

Being With You

Jamie Barnett

I flew in my airplane to Lima Peru
I hiked in the jungle for something to do
there were lions and tigers and elephants too
but there's nothing, there's nothing like being with you
ooh ooh ooh ooh being with you
there's nothing like being with you

I swam in the ocean and when I was through
I laid in the sand for an hour or two
the sun was delicious the sky was so blue
but there's nothing, there's nothing like being with you
ooh ooh ooh ooh being with you
there's nothing like being with you

I paddled my kayak from morning to noon
then I went for a ride in a hot air balloon
I worked in my garden from april to june
but there's nothing, there's nothing like being with you
ooh ooh ooh ooh being with you
there's nothing like being with you

I like to climb mountains I've climbed quite a few
I've even gone skiing and ice fishing too
I've seen cows that lay eggs I've seen chickens that moo
but there's nothing, there's nothing like being with you
ooh ooh ooh ooh being with you
there's nothing like being with you

well it was great when the plate ran away the the spoon
I said wow to the cow jumping over the moon
but I miss you and I hope that I see you soon
'cause there's nothing, there's nothing like being with you
ooh ooh ooh ooh being with you
there's nothing like being with you

Take a Walk In Someone Else's Shoes Swingset Mamas

Take a walk, in someone else's shoes,
and try to understand another point of view.

Look around, and you will see many faces and different personalities.

Why don't you try (**WHY DON'T YOU TRY**) to think about,
if you had something to say but couldn't get the words out.

You'd feel sad, (**YOU'D FEEL SAD**) and frustrated too,
But so much better with a friend helping you
So Take a Walk (**TAKE A WALK**) in Somebody Else's shoes.

CHORUS:

Take a Walk in Someone Else's Shoes,
Just take a walk in someone else's shoes.

We're all standing around on common ground,
so take the first step you've got nothing to lose.

You've gotta look at each other like a sister or brother,
find what's SPECIAL inside me and you.

Everybody join hands all over the land and
Take a Walk in someone else's shoes.

Just Imagine, if you opened a book
And the letters on the pages didn't really look
How you thought (*how you thought*) that they should go.

Then you turned around and found a friend to show
To show you how (*to show you how*) to make sense of it all
'Cuz everybody needs a hand whether big or small.

So take a Walk, (*take a Walk*) in somebody else's shoes
Come on let's start Walking now

CHORUS 2x:

Take a Walk in Someone Else's Shoes, (**See What Someone Else is Going Through**)
Just take a walk in someone else's shoes. (**Understand Another Point of View**)

We're all standing around on common ground,
so take the first step you've got nothing to lose.

You've gotta look at each other like a sister or brother,
find what's SPECIAL inside me and you. (**Everybody's Special**)

Everybody join hands all over the land and
Take a Walk in someone else's shoes. (For Last Chorus sing this line – 3x)

Team Work

The Uncle Brothers

Some of us build and some knock down, others grow vegetables in the ground
Some cook meals and some deliver, some fix the heat so we don't shiver
Some look for answers so they'll know, and others take you where you want to go
Some sell food to fill your fridge, some take money to cross the bridge

Everyone is important
If you know what I mean
We can make it happen
We're part of a great big team

Some people write and others sell, and some you go to make you well
Some volunteer and coach the team, and others keep your schools so clean
Some drive the bus and others teach, some paint houses and others preach
Some protect both you and me, and some stay home and raise a family

There are those who entertain, and some make up computer games
Some fix roads some fix your car, some pump the gas so you'll go far
Some bring you letters every day; some clean the pool so you can play
Some make things like bikes and toys; some make clothes for girls and boys

Some catch dogs and bugs and mice, some keep lawns and gardens nice
Some run countries some run towns, some are jugglers some are clowns
First base second base third base too, or the one on the bench it might be you
You may not hit but just the same, it takes a whole team to win the game

Just the Way You Are

Kelsey Friday

The color of your skin
the color of your hair
the color of your eyes
the goofy things you like to wear

they're all ingredients that make up who you are who cares if you're different you're a shining star

CHORUS:

I like you just the way you are
just the way you are
I like the little things that make you who you are....
you're the reason why
the sun is shining bright
I like you just the way you are

the way you walk and talk
the way you dance and sing
the way you do the things you do
you know I wouldn't change a single thing

they're all ingredients that make up who you are who cares if you're different you're a shining star

CHORUS

you're so special
you're so beautiful
You're special
just the way you are

There's No Place For Bullies in Our School

The Hill Brothers

Chorus

A BULLY IS SOMEONE WHO IS NOT COOL
THEY ACT REAL MEAN, THEY ACT REAL COOL
THEY PUT YOU DOWN, MAKE YOU FEEL LIKE A FOOL
THERE'S NO PLACE FOR BULLIES IN OUR SCHOOL!
THERE'S NO PLACE FOR BULLIES IN OUR SCHOOL!

ONE KIND OF BULLY IS PHYSICAL,
THEY HIT, THEY PUSH, YOUR HAIR THEY PULL
THEY MAY ACT TOUGHER THAN ME AND YOU
BUT WE KNOW IT'S NOT THE RIGHT THING TO DO
WE KNOW IT'S NOT THE RIGHT THING TO DO

ANOTHER KIND OF BULLY SAYS MEAN THINGS
MAKES FUN OF YOUR CLOTHES, YOUR HAIR, YOUR
RINGS, THEY MAY ACT SMARTER THAN ME AND YOU
BUT WE KNOW IT'S NOT THE RIGHT THING TO DO
WE KNOW IT'S NOT THE RIGHT THING TO DO

A THIRD KIND OF BULLY LIKES TO LEAVE YOU OUT
CAN'T JOIN THEIR CLUB, MAKES YOU WANT TO
SHOUT THEY MAY ACT COOLER THAN ME AND YOU
BUT WE KNOW IT'S NOT THE RIGHT THING TO DO
WE KNOW IT'S NOT THE RIGHT THING TO DO

Say Something Nice About Someone

Happy Crowd

Don't put people down in any way, It's better to build them up today,
Instead of an unkind word or two,
Be kind and you'll feel good through and through,
And then when you look in the mirror, you'll like what you see,
Just say something nice about someone now.

Chorus

Instead of belittling just be big, and look for the best in every kid,
Don't let a single day go by, without giving our advice a try.
Then when you look in the mirror, you'll like what you see,
Just say something nice about someone now.

Chorus

Bridge

There's an old expression that's true today,
If you don't have anything nice to say,
There really isn't a better way, just don't say anything at all.
It's better to say something nice about someone now.

Chorus

You Hurt My Feelings

Victor Cockburn

You hurt my feelings, why did you do that?
I never did it to you, you said stuff that wasn't true,
You called me a name I didn't like, that hurt my feelings,
What did I ever do to you?

You said my hair was funny,
You said I was too tall for the fourth grade,
You said my legs were too fat for running,
You said something about my skin shade.

Sometimes you might say something
You don't know how it makes me feel,
You might think you're just joking,
But I take what you're saying for real.

Chorus

You told me I wasn't good enough,
To play first base in the game,
Then you told me I wasn't very tough,
If I cried when I felt some pain,

Try to be more careful
With the things that you do and say,
Feelings are very fragile now,
You've got to treat everybody that way.

Don't hurt my feelings,
You'd be sad too,
Don't go saying and doing that stuff
That you know just isn't true,
Call my name in a way that I like,
Don't hurt my feelings
Cause I want to be friends with you
Yes, I do, yes I do,

I want to be friends with you

Be Nice To Old People

Jamie Broza

Be nice to old people, they used to be young
They used to tease siblings, to stick out their tongues
To stay up past midnight, to giggle, to yell
Don't believe me? Just ask 'em
They've stories to tell

Be nice to old people, they used to get scared
They'd hide in their sheets from the monsters who dared
To make funny noises in closets, on stairs
Don't believe me? Just ask 'em
If they got nightmares

Bridge

'Though Grandma gets tired and sometimes moves slow she prob'ly ran faster than you long ago
She prob'ly dug earthworms, made her room a mess
Walked into a party with mud on her dress

'Though Grandpa gets grumpy and sometimes seems hazy
He prob'ly played baseball, went sledding, went crazy!
He prob'ly once thought his own parents were dopey
Was stubborn, and careless and sloppy and mopey

Inst.

Be kind to old people they sometimes forget that when they were young they – liked getting wet!
They'd play in the bath, water splashed everywhere, avoided shampoos
Loved to pull sister's hair

Bridge

And when they were young they would get into trouble
Not eat their green beans turn their crackers to rubble
It's hard to believe but I tell you it's true there's very few things that old folks did not do

Be kind to old people 'cause once they were little
Round, roly babies not creaky and brittle
They used to be kissed fouty-two times an hour and hugged, and snuggled and called "wildflower"

Inst.

Bridge

And when they were young they would wish on a star
They'd wish for a horse, for a puppy, a car

They'd wish they were older but now that they're wise they wish on the stars that they find in your eyes

Feeling the World Dancing

Jim Papoulis

I can hear a sound.. calling me
I can feel the rhythm, trying to set me free
it's the simple sound of love in every heart
trying to find a way to bring us together

**I CAN FEEL THE WORLD DANCING ONE BY ONE
THE SIMPLE SOUND OF LOVE, CRYING OUT TO BE HEARD
I CAN FEEL THE WORLD DANCING ONE BY ONE,
TO A DIFFERENT BEAT**

in the Autumn sun, children sing
they bring us hope, for better things
holding hands they help us to higher ground
and as we find our way, they bring us together

**I CAN FEEL THE WORLD DANCING ONE BY ONE
THE SIMPLE SOUND OF LOVE, CRYING OUT TO BE HEARD
I CAN FEEL THE WORLD DANCING ONE BY ONE,
TO A DIFFERENT BEAT**

I CAN FEEL THE WORLD

**I CAN FEEL THE WORLD DANCING ONE BY ONE
THE SIMPLE SOUND OF LOVE, CRYING OUT TO BE HEARD
I CAN FEEL THE WORLD DANCING ONE BY ONE,
TO A DIFFERENT BEAT**

Value You

Kim Webster

Well the grass is green, and the sky is blue.

There are so many people in the world, like me and you.

Me and you make two, yes we do.

When you value me, I'll value you.

There are so many people in the world, to value.

That makes a great value, value.

Ahhhhh...

Well the sun comes up, and the sun goes down.

People in the world, go round and round.

That's a free trip, around the sun.

A one way trip, for everyone.

There are so many people in the world to value.

That makes a great, value, value

Ahhhhh...

Please Stop Hurting My Feelings

Mike Soloway

When you said, "I'll never play with you again." (2)
It made me sad, it made me mad
It made me feel so bad
When you said, "I'll never play with you again."

So please stop hurting my feelings
That's not a nice thing to do
You'd say stop hurting my feelings
If I did the same thing to you

When you said "You're not invited to my party." (2)
It made me sad, it made me mad
It made me feel so bad
When you said "You're not invited to my party."

So please stop hurting my feelings
That's not a nice thing to do
You'd say stop hurting my feelings
If I did the same thing to you

When you said "You're not my friend anymore." (2)
It made me sad, it made me mad
It made me feel so bad
When you said "You're not my friend anymore."

So please stop hurting my feelings
That's not a nice thing to do
You'd say stop hurting my feelings
If I did the same thing to you
If I did the same thing to you
